STEM at Home

Dear _____,

At school, we have been learning that animals live in **habitats** that meet their basic needs.

I learned that: _____

My favorite part of the lesson was: _____

At home, we can create a "mixed-up" animal and design a habitat for it.

Search YouTube "Crazy Mixed Up Animal Game" or go to <https://www.youtube.com/watch?v=rsqMuOpWKuc>

1. Watch the video "Crazy Mixed Up Animal Game" and then create a new "mixed-up" animal. Give it a fun name like the animals in the video.
2. Design a habitat with everything the animal would need to meet its basic needs.
3. In the box below, draw and label your "mixed-up" animal in its habitat.
